E.V. Day's 'Semi-Feral'.

SATURDAY, OCTOBER 18

Opening: "E.V. Day: Semi-Feral" at Salomon Contemporary

All you need to know is that the centerpiece of the show is called *CatFight* and it is a site-specific installation that features the reconstructed skeletons of two Sabertooth Tigers about to tear each other apart. So cool.—N.F.

Salomon Contemporary, 525-531 West 26th Street, Floor 4, New York, 6-8 p.m.
